Correction marking

1. Mushaf page:

مَثْلُهُمْ كَمُنَلِ الَّذِي اسْتَوَفَدَ فَانَا فَلَمَّا أَضَاءَ فَ مَا حَوْلُهُ وَهِمَ اللهِ اللهِ اللهِ اللهِ اللهِ مَعْمُ اللهِ اللهُ ا

- 2. On clicking a word on the page, it should hit a pre-define unique ID.
 - A. It may get shown a crop or zoom image of that word
 - B. Then, users will input some data which should get linked and save in the database with it's unique ID. (Correction marking feature).
